# RENT – O – COOLER WITH BRIZE

---

Brize brings to you the novel concept of RENT-O-COOLER, sharing engineering legacy of over 35 years of innovation and market experience in large area cooling solutions.

We at Brize strive hard to work on Innovation, performance and sustainable renting solution for Industrial coolers. So be it your lawn, hostel, Gardens, poolside area, open terrace, restaurants or café, Brize provides one stop solution to all your cooling needs.

Our plethora of offerings will surprise and keep your budget under control.

While nobody talks about cooling but mere showpiece, We boast both design, performance and rigidity with our range of products.

We abbot out expertise in cooling with durable unibody cooler design, streamlined intuitive mechanism and ease of use.

RAW 800, RAW 1000 and RAW 1200 will bring life to your area in scorching Indian summers.

When mercury raises above 50 degrees in industrial setup our range of solutions will serve tempest of air across your area keeping your workforce productive as always.
